Cut my life into pieces  
This is my last resort  
Suffocation, no breathing  
Don't give a fuck if I cut my arm bleeding  
This is my last resort

'Cause I'm losing my sight, losing my mind  
Wish somebody would tell me I'm fine  
Losing my sight, losing my mind  
Wish somebody would tell me I'm fine  
Nothing's all right, nothing is fine  
I'm running and a-crying

Wake up (Wake up)  
Grab a brush and put a little make-up  
Hide the scars to fade away the shakeup  
(Hide the scars to fade away the shakeup)  
Why'd you leave the keys upon the table?  
Here you go create another fable

You wanted to  
Grab a brush and put a little makeup  
You wanted to  
Hide the scars to fade away the shakeup

You wanted to  
Why'd you leave the keys upon the table?  
You wanted to

I don't think you trust  
In my self-righteous suicide  
I cry when angels deserve to die, die, die  
D-d-die die die die die  
Hey

I'm gonna get free  
I'm gonna get free  
I'm gonna get free  
Ride into the sun

She never loved me  
She never loved me

She never loved me  
Why should anyone?

(Come here, come here, come here)  
I'll take your photo for ya  
(Come here, come here, come here)  
Drive you around the corner

(Come here, come here, come here)  
You know you really oughta  
(Come here, come here, come here)  
Move out to California

Do what I want 'cause I can  
If I don't because I wanna  
Be ignored by the stiff and the bored  
Because I'm gonna

Hate to say I told you so, all right  
Do believe I told you so  
Now it's all out and you knew  
'Cause I wanted to

Fell in love with a girl  
I fell in love at once and almost completely  
She's in love with the world  
But sometimes these feelings can be so misleading

Can't think of anything to do  
Yeah, my left brain knows that all love is fleeting  
She's just looking for something new  
Yeah, I said it once before but it bears repeating, now

Last night, she said  
"Oh baby, don't you feel so down  
When you turn me off  
When I feel left out"

So I (what'd you do?)

Well, I turned around (right around)  
"Oh, baby, gonna be alright"  
It was a great big lie (big old lie)

'Cause I left that night  
Yeah

Ooh ah ah ah ah  
Ooh ah ah ah ah

Get up

Come on get down with the sickness  
Get up  
Come on get down with the sickness

Get up  
Come on get down with the sickness  
Open up your hate and let it flow into me

Get up  
Come on get down with the sickness  
You mother get up  
Come on get down with the sickness

Get up  
Come on get down with the sickness  
Madness is the gift that has been given to me

We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk

This time I'm 'a let it all come out  
This time I'm 'a stand up and shout  
I'm a do things my way  
It's my way  
My way or the highway

This time I'm a let it all come out  
This time I'm a stand up and shout  
I'm a do things my way  
It's my way  
[honk]  
[honk]  
Or the highway

But I'm on the outside  
I'm looking in  
I can see through you  
See your true colors

'Cause inside you're ugly  
Ugly like me  
I can see through you  
See to the real you

Bawitdaba da bang da dang diggy diggy

Bawitdaba da bang da dang diggy diggy  
Diggy said the boogie said up jump the boogie
