I've seen 'em come and I've seen 'em go  
There's 1 thing that I know.  
You gotta give the people what they want  
Or you'll wind up back in Kokomo...  
Nebraska

They like it big  
They like it loud  
Maybe a bit jazzy sometimes

Mr. Pussycat listen to me  
You dont have to be good but you had better be...

Max: Get hot, Miss Dimple.

BIG AND LOUD!!  
Big and la-oooood

Wanna make yo' mama proud  
Make it big  
Aaaaaand  
LA-OOOOOOOOOD!!!!!!

Spoken: Leaves ya kinda speechless, dont it?
