(intro)

We should kill him  
Would be thrilling  
Just to kill him

Lets hunt him down  
And shoot him in the head  
Lets beat the crap out of sadamm  
Lets hunt him down  
And shoot him in the head  
And bomb Iraq to the ground  
Lets hunt him down  
And shoot him in the head  
Lets beat the crap out of sadamm  
Lets hunt him down  
And shoot him in the head  
And bomb Iraq to the ground

Don't screw with the USA  
Don't screw with the USA

Now if he does attack  
We gonna drop a stack  
Of missiles on Iraq  
And get him off our back  
And if he won't let us up for all of his nerve gas  
The US army is gonna kick him in the ass (in the ass)

We should destroy  
Should destroy  
That Iraqi Boy

Lets hunt him down  
And shoot him in the head  
Lets beat the crap out of sadamm  
Lets hunt him down  
And shoot him in the head  
And bomb Iraq to the ground  
Lets hunt him down  
And shoot him in the head  
Lets beat the crap out of sadamm

Lets hunt him down  
And shoot him in the head  
And bomb Iraq to the ground
