Hello, Welcome to Wong Way Kitchen.

I take your order please? I highly recommend the  
combo #5! (ooh nice)

Yeah!

Combo 1,2, ah 3,4,5  
Everybody loves Chinese steamed or fried,  
from the Chinese restaurant around the corner,  
so you say you want some won-ton soup, I'll bring your  
order.

Roast duck is a special all dis week,  
we fry it deep, be-cause our duck is cheap!  
You like Egg-Fu-Yon, diced chicken, chow wong and  
subgum.

We are serving dimsun, all of it yum-yum.  
So, what can I getcha, a really big order pork,  
we got the chop sticks, but please use a fork.  
Everything is fried, it's so good, like our dumplings.  
So, just give us a ring.

A little beef and broccoli you got to try.  
A little mixed vegetables and white rice  
A little sweet and sour is all you need.  
A little bit of salt-no MSG  
A little bit of General Tso's chicken  
A little bit of lo mein I can send  
A little bit of Szchewan or Hunan  
A little bit of moo goo gai pan!!!
