Look
If you had
One shot
To sit on your lazy butt
And watch all the TV you ever wanted
Until your brain turned to mush
Would you go for it?
Or just let it slip?
Yo

Remote is ready
Eyes wide, palms are sweaty
There's Flintstones on the TV already
Wilma 'n' Betty
No virgin to channel surf in'
And I'm HD-ready
So I flip
Garbage is all I'm getting

There's Simon Cowell
Who folks wanna disembowel
He opens his mouth
Always says something foul
They're dyin', wow
Wannabes are crying now
He votes them out
Time to throw in the towel

Shows based on reality
Oh, the humanity!
Oh, Ozzy's family
Sho' loves profanity
Whoa, the insanity
Oh, dogs that crap and pee
Home of depravity?
No, they live happily
Yo

Plus "Da Ali G Show"
And "Celebrity Mole"
Oh, and there's Anna Nicole
Well, she's scaring me

"Look ma, no cavities"
Oh, it's a station break
Better go out to the kitchen and microwave something

"You're gonna lose your mind watchin' TV" They told
me, they'd scold me
But I'd still tune in every show (show)
My cable gets C-SPAN, TV-Land, and HBO
The Travel Channel, Discovery, and Lifetime (yo)

"You're gonna lose your mind watchin' TV"
They told me, cajoled me, "Turn off those music
videos" (no)
I'm gonna watch C-SPAN, TV-Land, and HBO
The History Channel and QVC and Lifetime (yo)
(You're gonna)

My butt is aching
As I watch NASCAR racing
That show about undertaking
Larry King
To "24" to "Law And Order"
The Weather Channel's boring like "60 Minutes"'s
ancient reporters
Next up on "E! True Hollywood Story"
The rise and decline of twelve actors named Corey

Shows for next fall, they've already been namin'
"CSI: Boise" and "Touched By An Uncle" both sound
pretty lame 'n'
So does "Everybody Tolerates Raymond"
And "King of Queens" jumped the shark the first
minute
I can't believe Richard Simmons ain't in it

I'll move right on to "8 Simple Rules For Dating My
Teenaged Daughter"
Then I bet
I watch "The Bachelorette"
Followed by "Welcome Back, Kotter"
And "The Muppet Show" where they go 'Mahna Mahna'
"You're gonna lose your mind watching TV"
They told me, they'd scold me
But I'd still tune in every show (show)
My cable gets C-SPAN, TV-Land, and HBO
The Disney Channel and A&E and Lifetime (yo)

"You're gonna lose your mind watching TV"
They told me, cajoled me
But I still love Lisa Kudrow (drow)

I'm looking at C-SPAN, TV-Land, and HBO
The Playboy Channel and Court TV and Lifetime (yo)
(You're Gonna)

Never missed "Melrose Place" or "Lost In Space"
I've seen each "Amazing Race" and "Without A Trace"
But I only watched "Will And Grace" one time one day
Wish I hadn't 'cause TiVo now thinks I'm gay

Oh, and "Fear Factor" I watched maybe a half hour
After that, felt like I needed a long shower
Network execs with naked ambitions
"Next week on FOX, watch lions eat Christians"

Like to tie up those programming planners
Make 'em watch all of that junk 'til their heads explode
just like "Scanners"
Leech-covered grub-eatin' fools on "Survivor"
Look there's James Lipton discussing the oeuvre of Mr.
Rob Schneider

And there's "Gilligan" and "SpongeBob", plus there's
"MacGyver"
And Jay Leno has got Madonna, hey there's Luke Perry
on a
Special all Pig-Latin episode of "Drew Carey"

Wanna turn on "E.T." 'cause I'm a gossip freak
And I gotta know who J. Lo is marryin' this week
A 30 second spot
Then we come back to "Are You Hot?"
I was planning on recording "The Sopranos"
I forgot

I love shows with or without a plot
I'll stare 'til my legs are numb, my eyes bloodshot
Because I only have got
One brain to rot
I'm gonna spend my life watching television a lot

"You're gonna lose your mind watching TV"
They told me, they'd scold me
But I'd still tune in every show (show)
My cable gets C-SPAN, TV-Land, and HBO
The Sci-Fi Channel and AMC and Lifetime (yo)

"You're gonna lose your mind watching TV"
They told me, cajoled me, "Turn off that Oprah Winfrey
show" (no)
I got it on C-SPAN, TV-Land, and HBO
The Learning Channel and MTV and Lifetime (yo)

(You're gonna)

You can watch anything you want to, man
