Elmo's got a gun
Elmo's got a gun
Big bird's on the run
Ernie's dialin' 911
What made elmo snap,
Was he tired of big birds crap?
They said when Elmo was arrested
They found Oscar headless in the trash
I hear that Gordon's really runnin
Now that elmos got a gun,
The streets never gonna be the same.
Elmo's got a gun
Elmo's got a gun
Grover's head has come undone
Sesame street's not real fun -
GUNSHOT
You want me to walk around sesame street without a
bulletproof vest?!
Forget about it!
