Risin' above the city, blocking out the noonday sun
It dwarfs the mighty redwoods and it towers over
everyone
I still remember when that delivery truck came down
our block
What a lucky guy, I hear he got the last one in stock
And the neighbors are just green
They say, "That's the biggest screen we've ever seen!"

It's Frank's 2000" TV (Frank's 2000" TV)
Everbody come and see(Frank's 2000" TV)
Frank's 2000" TV (Frank's 2000" TV)

That's Frank's remote control, you can look, but don't
touch it, please
'Cause Frank's the one in charge and he decides what
everybody sees
The picture's crystal clear and everything is magnified
Robert DeNiro's mole has got to be ten feet wide
Everybody in the town
Can hear those 90,000 watts of Dolby sound
And I'm mighty proud to say
Now I can watch "The Simpsons" from thirty blocks
away

On Frank's 2000" TV (Frank's 2000" TV)
Everybody come and see (Frank's 2000" TV)

I'm gonna get one of my own real soon
It's like having a drive-in movie in your own living room
Whoa, hey now... hey now na na na now
