Seen each Star Trek eighty times
Memorized each word
Home alone
On Friday nights
But I got eight gigabytes
Left on my hard drive
I'm hooked as I can get
Into the Internet
Maybe you would like to see my web page
I love my new PC
It means the world to me
So many things to download
Gee, I'm a nerd
All the jocks and muscle heads
Flip me the bird
Cause I'm a nerd
Gee, I'm a nerd
Weird Al Yankovic Gee, I'm A Nerd
