I'm not the brightest crayon in the box  
Everyone says I'm dumber than a bag of rocks  
I barely even know how to put on my own pants  
But I'm a genius in France, genius in France, genius in France

Hoom chaka laka  
Hoom chaka laka  
Hoom chaka

I may not be the sharpest hunk of cheese  
I got a negative number on my S.A.T.'s  
I'm not good looking and I don't know how to dance  
But nevertheless and in spite of the evidence  
I am still widely considered to be  
A genius in France, a genius in France, a genius in France

People say I'm a geek, I'm a moronic little freak  
And annoying pipsqueak with an unfortunate physique  
If I was any dumber, they'd have to water me twice a week

But when the Mademoiselles see me, they all swoon  
and shriek  
They dig my mystique, they think I'm c'est magnifique  
When I'm in Patee, I'm the chicest of the chic

They love my body odor and my bad toupee  
They love my stripey shirt and my stupid beret  
And when I'm sipping on a Perrier  
In some cafe town in St. Tropez

It's hard to keep the fans at bay  
They say, "Sign my poodle, s'il vous plait"  
"Sign my poodle, s'il vous plait"  
Hemenene humenene  
Himenene homenene, poodle, poodle

Folks in my hometown think I'm a fool  
Got too much chlorine in my gene pool  
A few peas short of a casserole

A few buttons missing on my remote control

A few fries short of a happy meal  
I couldn't pour water out of a boot with instructions on  
the heel  
Instructions on the heel  
Instructions on the heel

But when I'm in Provence, I get free croissants  
Yeah, I'm the guy every French lady wants  
And if you ask 'em why?  
You're bound to get this response

(He's a genius in France, genius in France)  
That's right  
(He's a genius in France, genius in France)  
You know it  
(He's a genius in France, genius in France, genius in  
France)

I'm not the brightest bulb on the Christmas tree  
But the folks in France, they don't seem to agree  
They say, "Bonjour, Monsieur  
Would you take ze picture with me?"

I say, "Oui, oui"  
That's right  
I say, "Oui, oui"  
Oui, oui  
He says, "Oui, oui"

I'm dumber than a box of hair  
But those Frenchies don't seem to care  
Don't know why, mon frere  
But they love me there  
I'm a genius in France, I'm a genius in France

Gonna make a big splash when I show up in Cannes  
Gonna make those Frenchies scream  
"You ze man! You ze man! You ze man!"  
Like a fine Renoir, I've got that je me c'est quoi  
Like a fine Renoir, I've got that je me c'est

Quoi quoi quoi quoi quoi, oo we oo  
Quoi quoi quoi quoi quoi, oo we oo  
Bow diddy bow di bow di bow bow diddy  
Bow diddy bow di bow di bow bow diddy bow

I'm a taco short of a combo plate  
But by some twist of fate, all the frogs think I'm great  
Oh, the men all faint and the women scream

They like me more than heavy cream

When I'm in Versailles, I'm a popular guy  
My oh my, I'm as French as apple pie  
They think I'm awfully witty, a riot and a half  
When I tell a stupid joke, they laugh

(Haw haw haw haw haw)  
And laugh  
(Haw haw haw haw haw)

People in France have lots of attitude  
They're snotty and rude, they like disgusting food  
But when they see me, they just come unglued  
They think that I am one happening dude

Bowm ba ba bowm ba bowm ba bowm  
I'm about as sharp as a bowling ball  
But they like me better than Charles De Gaulle

Entre nous, it's very true  
The room temperature's higher than my I.Q.  
But they love me more than Gerard Depardieu  
How did this happen I don't have a clue

I'm not the quickest tractor on the farm  
I don't have any skills or grace or charm  
And most people look at me like  
I'm all covered with ants  
But I'm a genius in France, genius in France, genius in  
France

And I'm never goin' back, I'm never goin' back  
I'm never, never, never, never goin' back home again  
I'm tearin' up my return flight ticket  
Gonna tell the folks back here where they can stick  
'Cause I'm never goin' back  
I'm never goin' back, I'm never goin' back

The girls back home never gave me a chance  
But I sho' 'nuff got them frogs in some kinda trance  
And I'm aware that it's a most improbable circumstance  
But "Great Googily Moogily", I'm a genius in France

Every Frenchie that I meet  
Just can't wait to kiss my feet  
Get in line, pucker up! Tout Suite!  
Bowm diddy bowm diddy bowm diddy

I'm gettin' even more famous by the hour  
I'm stuffed with pastries and drunk with power

Now they're puttin' up my statue by the Eiffel Tower  
A little more to the left, boys, a little more to the left  
A little more to the left, boys, a little more to the left

I'm the biggest dork there is alive  
My mom picked out my clothes for me till I was thirty  
five  
And I forgot to mention  
I'm not even welcome at the Star Trek convention

But the Frenchies think  
That my poop don't stink  
I'm a genius in France

Say, would you pass the Grey Poupon?  
Merci beaucoup
