Well....

Me and my buddies got us some beer and a great big
bottle of Rhine
and boxes of ammo and guns to go with'em
and good old Charley's glass eye
well we look around till we see all the nature
so cond and so serene
but not for long cause we are gonna use guns that
make furry animals Sceme!

(Chorus)

cause were go'n hunt'n
were gonna kill some'n
I don't care what it is
maybe a racoon, maybe a goffer, or maybe the
neighbors kids!

were go'n hunt'n
were gonna kill some'n
I don't care what it is
maybe a racoon, maybe a goffer, or maybe the
neighbors kids!

Well off we go
our guns are loaded
and so are we
we weave through the bushes
and falls on our face
and piss on the nice tree
and then we spot some'n
moving and a rustling
we pop it full of lead
and then we smile real wide
until we hear it scream
and thud it falls down dead

(Chorus)

cause were go'n hunt'n
were gonna kill some'n
I don't care what it is
maybe a racoon, maybe a goffer, or maybe the

neighbors kids!

were go'n hunt'n
were gonna kill some'n
I don't care what it is
maybe a racoon, maybe a goffer, or maybe the
neighbors kids!

Well off we go to see what we killed
and to watch the damn thing bleed
and the first thing we see is a bright orange cap
and we shot down old Charlie
but note to mind he smiled with a time
he died real high pee
but next time he should tell us when he is going off to
take a pee

(Chorus)
cause were go'n hunt'n
were gonna kill some'n
I don't care what it is
maybe a racoon, maybe a goffer, or maybe the
neighbors KIDS!

were go'n hunt'n
were gonna kill some'n
I don't care what it is
maybe a racoon, maybe a goffer, or maybe the
neighbors kids!

Well the sunny goes down
and we head back to town
and a hop in our pick up truck
drop Charlie in the hood
and stir up the engine
try to get home with any luck
well what do you know
we run into a pole
but were all still one in piece
we get a free ride back into town
in the seat of the police

(Chorus)
CAUSE..... WERE.....go'n hunt'n
were gonna kill some'n
I don't care what it is
maybe a racoon, maybe a goffer, or maybe the
neighbors KIDS!

were go'n hunt'n
were gonna kill some'n

I don't care what it is
maybe a racoon, maybe a goffer, or maybe the
neighbors kids!

YA HOOOOOOO!
WOPIEEEE
