Last night I was surfing on the internet  
Speeding through cyber space (you've got mail)  
I was in a chatroom, wound up in an adult site  
Oh my god I recognize that face

Grandpa he's a pornstar  
He's an internet cyber stud  
Grandpa he's a pornstar  
Check out his little butt  
He's on Geritol  
He's shooting blanks, 88 years old (oh)

Look he's fallen and he can't get up  
Can't get it up, get down  
With your bad self  
Find a trapeez, no BVDs  
Crack that whip  
Don't break a hip  
Check out his funky hip gyration  
He must be taking his medication  
Grandpa's so hot he smokes  
If he keeps it up he'll have a stroke

Grandpa he's a pornstar  
He's an internet cyber stud  
Grandpa he's a pornstar  
Check out his little butt  
He's on Geritol  
Laced with viagra, he's 80 years old (oh)
