i want to eat the oscar myner wiener mo byle  
after dinner ill eat a snack  
i could hide cave moss in my crack

(chorus)

A little bit of pizza in my life  
give me a little sour cream on the side  
A bowl of gravy all i need  
an order of french fries just for me  
a couple cheese burgers in the sun  
ill have gas panes all night long  
i want to wash down with a bottle of whine  
and give me a six pack and ill feel fine

give me a hook or a steak  
give me a piece of pork(hic up)  
give me a side of bacon  
WAAAAAAAAA

get in my belly!

Waa jump up jump down  
on to the ground  
put your hands on your heart  
and flop all around  
spase all around  
spase out to the left  
spase out to the right  
put your arms in the air  
and move them every where

twitch around once  
twitch around twice  
if your fropin at the mouth  
then your doing it right!

(chorus
