I hear those ice cream bells and I start to drool
Keep a couple quarts in my locker at school
Yah, but chocolate's gettin' old
Vanilla just leaves me cold

There's just one flavor good enough for me, yah me
Don't gimme no crummy taste spoon
I know what I need

Baby, I love rocky road
So weren't you gonna buy half a gallon, baby
I love rocky road
So have another triple scoop with me, ow

They tell me ice cream junkies are all the same
All the soda jerkers know my name
When their supple is gone
Then I'll be movin' on

But I'll be back on Monday afternoon, you'll see
Another truck load's comin' in for me, all for me
I'm singin'

I love rocky road
So weren't you gonna buy half a gallon, baby
I love rocky road

So have another triple scoop with me, ow

(oh, make it talk)

When I'm all alone, I just grab myself a cone
And if I get fat and loose my teeth that's fine with me
Just lock me in the freezer and throw away the key
Sing it

I love rocky road
So weren't you gonna buy half a gallon, baby
I love rocky road
So have another triple scoop with me

I love rocky road

So weren't you gonna buy half a gallon, baby
I love rocky road
So have another triple scoop with

I love rocky road
So weren't you gonna buy half a gallon, baby
I love rocky road
So have another triple scoop with

I love rocky road
So weren't you gonna buy half a gallon, baby
I love rocky road
So have another triple scoop with me
