I wear fake gold to make up for my little cock  
got my rag on backwards so I look just like 2pac  
with my cap tilted cause im trying to hide the fact that  
im from maine  
but I represent the south side  
got a bb gun that looks just like a Mac 10  
if I shot your bitch it might not even break the skin  
I wear my jeans so low you can see my booty crack  
got chrome painted rims on my 86'pontiac with fuzzy  
dice  
in a rigged up black/white  
my curfew's at 10 but I stay out till midnight  
sitting' in my ride puffin bennys from my one hitter  
can't smoke at home cause ill get caught by my baby  
sitter  
I wanna be black but with my mustache I look Mexican  
I learned how to spit rhymes from reading green eggs  
and ham  
I talk plenty shit so that must make me hard  
I did a 2 day stretch for stealing at Wall-Mart  
im a wigga so go figure im just a white boy that wants  
to be a nigga  
don't forget the dew rag take me to the tanning booth  
got a little bling bling next week im getting a gold tooth

calling up some honeys they only give me pussy cause  
I say I got the money

none of my hoes are over 13 'cause to 2 of these little  
tricks my dick looks humongous

I live my mamma's basement and im almost 23

other than that there's nothing going for me

never had a hard day in my life you see except when I  
took my mother fucking g.e.d.

I aint a gangster bitch im just a prankster bitch and if  
you step to me I run just like a bitch

I run just far enough to where you cant catch me

peel out in my ride and call you pussy

but living in the suburbs im the toughest on my block

and every little hoe is riding all up on my jock

not packing too much meat so I stuff it with a sock

remember the first line yeah I said I had a little cock

im a wigga so go figure im just a white boy that wants  
to be a nigga

my closets full of Fubu sipping on the 40's

my name is really Carl but you can call me shorty

when you see me strutting down the street walking with  
a limp

its not because im hard its cause I got my ass kicked by  
a bunch of real G's

they beat my ass and shanked me with a knife

for trying to be down and claim in ghetto life

it'll all catch up to you in the end some day

you'll be alone and ill be with all my friends and we'll  
kick your ass

yeah we'll beat you down mother fucker

don't make me act a clown I ain't in a gang

but I can talk the slang I know the Ebonics hand book  
like it aint no thang

so I must be real yo I listen to mc hammer

and im down with my new dough so that pretty much  
how the story goes

im the suburban gangster that fucks 12 year olds

just a skinny honky that tries to act tough

but i'm the first to back down if you call my bluff

im a wigga so go figure im just a white boy that wants  
to be a nigga

smoking token stank weed

wear a pick in my hair

stomping in my air force 1's but cant afford 2 pair
