jamie's got a gun,
jamie's got a gun,
miles on tha run,
hayles dialing 911,
wat made jamie snap,
was he tired of miles crap
They said when jamie was arrested,
They found sean headless in the trash,
I hear that jay's really runnin,
Now that jamie's got a gun,
The streets never gonna be the same,
jamie's got a gun,
jamie's got a gun,
mitch's head has come undone,
smokers street isnt real fun,
SCREAM
You want me to walk around,
smokers street without a,
bulletproof vest?!?
Forget about it!
