It's been one week since we got to see
Cheatin' lovers and cousins that marry
Five days since they had the show
With the hermaphrodite, the slut, and the crack ho
Three days since we heard the tale
About the guy who learned his woman was a she-male
Yesterday it occurred to me
That I've been watchin' a bit too much Jerry Springer

Holy cow, d'you see it last week?
Well, they had this one freak
Who sucker-punched his whole family
Do you recall when the brawl
Became a total free-for-all
And Jerry's in the middle tryin' to be the referee
Hey, see the stripper with the implants
She likes to lap dance
And date the boyfriend of her mother
Now here come's Jerry's next guest
And it's a slugfest
'Cause it's her trailer trash brother
Nymphomaniac is back on crack
It's like "When Animals Attack"
They all exhibit reprehensible behavior
Hit 'em in the nose, tear off their clothes
Step on their toes, that's how it goes
They get so violent they have to sign a waiver

They're always swearin', cursin', kickin' butt, and
pointin' blame
On the air? They don't care, they've got no shame
There was one guy who I'm sure felt a little strange
When he found out that his wife had a sex change
They have a tendency to scream and yell constantly
They have a history of ripping off their shirts

It's been one week since they had the fight
With the Siamese twins and the transvestite
Five days since that awful brawl
They still haven't got the blood off the wall
It's been three days since the bitter fued
Between the KKK and that gay Jewish black dude

Yesterday, finally dawned on me
I'm spendin' way too much time on that Jerry Springer

[Guy Guest :] Baby, I've been sleepin' with your sister

[Gal Guest :] Oh? Well, which one?

[Guy Guest :] All of them

[Gal Guest :] Oh! Well, I've been sleepin' with your best friend Jake!

[Guy Guest :] Yah? Well, well me too!

[Gal Guest :] Oh!

[Guy Guest :] And I've sleepin' with your dog Woofie!
(barking)

[Gal Guest :] Woofie, you b-tch!

[Gal Guest :] Well, I'm also sleepin' with your pet goat!
(baaahhing)

[Guy Guest :] That goat doesn't love you!

Once you start watchin', there's just no stoppin'

Your brain shuts down, then your IQ's droppin'

Jerry's the king of confrontation

He's a sensation

He puts the 'sin' in syndication

It's totally worthless, like a bad check

It's like a train wreck

Don't wanna stare but you can't look away

Like Sally Jesse he does talk shows

But with more weirdos

The ratings jumpin' higher everyday

If you've seen the show, well then you know

It's just as low as you can go

The guests are tacky and they're lacking in their
hygiene

And pretty soon some ugly goon

Comes in the room and then it's BOOM

In the face of some unsuspecting drag queen

Well it's the kind of show where people scream
obscenities

Yankin' hair, throwin' chairs at their hubbies

"Jerry! Jerry!" Now the crowd starts their favorite chant

Should I turn off my TV? I just can't

I have a tendency to watch it religiously

I have a history of taping each one

It's been one week since the show about

Psycho killers with problems they should work out

Five days since the big surprise

When some loser's wife said she's shtill dating twenty
guys

Three days wince he interviewed

A bunch of psychic porn star midgets who were all
nude
Yesterday, it occurred to me
That I've been watchin' a bit too much Jerry Springer
Tired of wastin' my time on that Jerry Springer
I've got way too much class to watch Jerry Springer
Come over here and pull on my finger
