I was waiting in the express lane with my twelve items
or less

At the checkout counter at the local grocery store

I was only passin' by

But a paper caught my eye

And I learned a few things I never knew before

It said your pet may be an extra-terrestrial

It said the ghost of Elvis is living in my den

You can learn to cope with stress

You can beat the IRS

And the incredible frog boy is on the loose again

Oh, Midnight Star

It's in the weekly Midnight Star

Aliens from outer space are sleeping in my car

Midnight Star, I wanna know, I wanna know

Eat jelly doughnuts and lose twenty pounds a day

Hear the story of the man born without a head

And top psychics all agree

That the telephone company

Will have a brand new service that lets you talk to the

dead

Oh, Midnight Star

You can believe it if you read it in the weekly Midnight

Star

They're keeping Hitler's brain alive inside a jar

Midnight Star, I wanna know, I wanna know

(Tell me, tell me, tell me how to make my bust-line
grow)

Midnight Star, I wanna know

Oh, Midnight Star

Well, don't you know that I read it, I read it in the weekly

Midnight Star

The UFOs have landed and we'll tell you where they are

Midnight Star, I wanna know, I wanna know

Midnight Star

Well, you can read all about in in the weekly Midnight
Star

You can use you ESP to learn to play guitar
Midnight Star I wanna know, I wanna know

(Ah, Midnight Star) I wanna know, I wanna know
(Ah, Midnight Star) I wanna know, I wanna know
(Ah, Midnight Star) I wanna know, I wanna know
(Ah, Midnight Star) Inquiring minds like mine wanna
know

(You can read it {x5}, Midnight Star {x2}) (Ah,
Midnight Star) I wanna know, I wanna know
(You can read it {x5}, Midnight Star {x2}) (Ah,
