HI my name is... (huh?) my name is (what?) my name is
(tiki tiki) Darth Vader
HI my name is... (huh?) my name is (what?) my name is
(tiki tiki) Darth Vader
The power, of the dark side. I have you now. Don't
make me destroy you.
Oh, Impressive. I find your lack of faith disturbing.
Indeed, you are powerful. The emporer has you seat.
HI my name is... (huh?) my name is (what?) my name is
(tiki tiki) Darth Vader
HI my name is... (huh?) my name is (what?) my name is
(tiki tiki) Darth Vader
It is pointless to resist, my son. I know there's good in
you. Your skills are complete.
You will join us or DIE, master.
HI my name is... (huh?) my name is (what?) my name is
(tiki tiki) Darth Vader
HI my name is... (huh?) my name is (what?) my name is
(tiki tiki) Darth Vader
HI my name is... (huh?) my name is (what?) my name is
(tiki tiki) Darth Vader
HI my name is... (huh?) my name is (what?) my name is
(tiki tiki) Darth Vader
