Oh, I've really got those ozone layer blues  
From my elbow down to my shoes  
So let's throw another fire on the logs

Now we can go downtown and fill the latrine  
With genuine Columbian lima beans  
Dynastic and elastic, it's all made out of plastic  
There's nobody here but us frogs

I'd like to find a girl who really cares  
About the size of my nasal hairs  
She could feed bananas to the dogs

We could climb the church and look down from the  
steeple  
Where all the ants look like people  
Nutritious and delicious, it's even surreptitious  
There's nobody here but us frogs

They say I'm crazy  
But I couldn't care less  
Why don't they leave me alone  
Can't they see that I'm happy to be a psychiatric mess

I get a thrill  
Bein' mentally ill, yes I do  
They seem to think it's a crime  
But it's a pleasure sublime, oh yes

That's why I'm happy here inside these padded walls  
Makin' obscene telephone calls

And throwin' TV dinners to the hogs

I never trust a naked Eskimo  
And don't you eat that purple snow  
Revolting and disgusting  
My belly button's rusting  
There's nobody here but us frogs

They say I'm crazy  
But I couldn't care less

Why don't they leave me alone  
Can't they see that I'm happy to be a psychiatric mess

I get a thrill  
Bein' mentally ill, yes I do  
They seem to think it's a crime  
But it's a pleasure sublime, oh yes

That's why I'm happy here inside these padded walls  
Makin' obscene telephone calls  
And throwin' TV dinners to the hogs  
I like to eat my ice cubes boiling hot  
And Wilshire Boulevard's a Commie plot

Amazingly congruent, and commonly affluent  
Innately effervescent, surprisingly incessant  
Superblier commended, eccentric and demented  
There's nobody here but us  
Nobody here but us  
Nobody here but us frogs, I mean it  
Nobody here but us frogs
