(one, two, thray, four)  
(one, two [*nasal hocking sound*])

I used to be a pinball freak  
That's where you'd find me every week  
But now it's Pacman  
Yeah it's the Pacman

I love to gobble up those dots  
Keep pumpin' quarters in the slots  
They call it Pacman  
Yeah it's the Pacman

At the game arcade, they say I'm hard core  
I can play all day 'til my hands are sore  
And I quit my job just to play some more  
But I won't give up 'til I break high score

Pacman [*music from Pacman "intermission"*]  
Well it's the Pacman  
Yeah it's the Pacman

Well it takes a lot of cash to play  
(Pacman, get the cherry)  
So I'm gonna sell my house today  
(Pacman, eat 'em up)

I'm playin' Pacman  
Yeah it's the Pac-ma-an

Hey mom, I won't be home this year  
(Pacman)  
Please forward all my mail right here  
(Pacman)  
I'm at the Pacman  
Yeah it's the Pacman

And you're playing with no one but me  
Pacman

[*music from Pacman "intermission"*]  
[*sound from when Pacman dies*]
