Oooh oooh oooh ee-oooh oooh oooh  
Ahh ahh ahh ahh ahh ahh-oooh oooh  
Ooooooh

I'm always thinkin' 'bout it  
I don't know what I'd do without it  
I love, I really love  
My pancreas

My spleen just doesn't matter  
Don't really care about my bladder  
But I don't leave home without  
My pancreas

My pancreas is always  
There for me  
Ahh-oooh

Secreting those enzymes (bap bap bap)  
Secreting those hormones too  
Metabolizing carbohydrates  
Just for me

Ba-ba ba ba-ba ba ba ba-ba ba ba  
My pancreas  
Ba-ba ba ba-ba ba ba ba-ba ba  
My pancreas  
Ba-ba ba ba-ba ba ba ba-ba ba ba  
My pancreas  
Ba-ba ba ba-ba ba ba ba-ba ba  
My pancreas

Ba-ba ba ba-ba ba ba ba-ba ba ba  
My pancreas  
Ba-ba ba ba-ba ba ba ba-ba ba  
My pancreas  
Ooooooh

My pancreas attracts every other  
Pancreas in the universe  
With a force proportional  
To the product of their masses

And inversely proportional  
To the distance between them

Woo woo woo woo

Don'tcha you know you gotta  
Flow, flow, flow, pancreatic juice  
Flow, flow, into the duodenum

Won'tcha  
Flow, flow, flow, pancreatic juice  
Flow, flow, into the duodenum

Insulin, glucagon  
(Won'tcha flow, flow, flow, pancreatic juice)  
Comin' from the islets of Langerhans...  
(Flow flow, into the duodenum)

Insulin, glucagon  
(Won'tcha flow flow flow, pancreatic juice)

Comin' from the islets of Langerhans...  
(Flow flow, into the duodenum)

Lipase, amylase, and tripsin  
(Insulin, glucagon)  
(Won'tcha flow, flow flow, pancreatic juice)  
They gonna help with our digestion  
(Comin' from the islets of Langerhans...)  
(Flow flow, into the duodenum)

Lipase, amylase, and tripsin  
(Insulin, glucagon)  
(Won'tcha flow flow flow, pancreatic juice)  
They gonna help with our digestion  
(Comin' from the islets of Langerhans...)  
(Flow flow, into the duodenum)

Can't you see I love my pancreas  
{Lipase, amylase, and tripsin}  
(Insulin, glucagon)  
(Won'tcha flow flow flow, pancreatic juice)  
Golly-gee I love my pancreas  
{They gonna help with our digestion}  
(Comin' from the islets of Langerhans...)  
(Flow flow, into the duodenum)

Can't you see I love my pancreas  
{Lipase, amylase, and tripsin}  
(Insulin, glucagon)  
(Won'tcha flow flow flow, pancreatic juice)

Golly-gee I love my pancreas  
{They gonna help with our digestion}  
(Comin' from the islets of Langerhans...)  
(Flow flow, into the deuodenum)

Can't you see I love my pancreas  
{Lipase, amylase, and tripsin}  
(Insulin, glucagon)  
(Won'tcha flow flow flow, pancreatic juice)  
Golly-gee I love my pancreas  
{They gonna help with our digestion}  
(Comin' from the islets of Langerhans...)  
(Flow flow, into the deuodenum)

Can't you see I love my pancreas
