["Wannabe" by Spice Girls]

Yeah, well, I'll tell ya what I want, what I really really want

(So tell us what ya want, what ya really really want)

I'll tell ya what I want, what I really really want

(So tell us what ya want, what ya really really want)

I wanna ha, I wanna ha, I wanna ha, I wanna ha

I wanna really, really, really, wanna zigga zigga, ah!

If you wanna be my lover, you gotta get with my friends

Make it last forever, friendship never ends

If you wanna be my lover, you have got to give

Taking is too easy, but that's the way it is.

Hey!

["Flagpole Sitta" by Harvey Danger]

I'm not sick, but I'm not well.

And I'm so hot, 'cause I'm in hell.

I'm not sick, but I'm not well.

And it's a sin to live so well.

["Ghetto Supastar (That Is What You Are)" by Pras

Michel w/ Ol' Dirty Bastard & Mya]

Ghetto superstar, that is what you are,

Coming from afar, reaching for the stars.

Run away with me, to another place

We can rely on each other, uh huh

From one corner to another, uh huh

["Everybody (Backstreet's Back)" by Backstreet Boys]

Everybody (yeah)

Rock your body (yeah)

Everybody

Rock your body right.

Backstreet's back, all right!

All right!

["Walkin' On The Sun" by Smash Mouth]

So don't delay, act now, supplies are running out

But now, if you're still alive, six to eight years to arrive

And if you follow, there may be a tomorrow

But if the offer's shun, you might as well be walking on

the sun
Might as well be walking on the sun!

["Intergalactic" by Beastie Boys]
Intergalactic planetary, planetary intergalactic
Intergalactic planetary, planetary intergalactic
Intergalactic planetary, planetary intergalactic

["Tubthumping" by Chumbawamba]
I get knocked down, but I get up again,
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down

Quicker than a ray of light
Quicker than a ray of light
Quicker than a ray of li-i-i-i-i-i-ight

I wanna push you around, well I will, well I will
I wanna push you down, well I will, well I will

I want something else
To get me through this semi-charmed kinda life, baby

["The Dope Show" by Marilyn Manson]
There's lots of pretty, pretty ones
That want to get you high
But all the pretty, pretty ones

I smell sex and candy here
Who's that lounging in my chair?
Who's that casting devious stares in my direction?
Mama, this surely is a dream
Yeah, yeah mama, this surely is a dream
Dig it, yeah mama, this surely is...

["Closing Time" by Semisonic]
Closing time
One last call for alcohol
So finish your whiskey or beer
Closing time
You don't have to go home
But you can't stay here
I know who I wanna take me home
I know who I wanna take me home
I know who I wanna take me home
Take us home.

["Way Moby Polka" by Al Yankovic]
'Cause it's closing time!
(Yeah it's closing time)
(We're talkin' 'bout closin' time)
(It's really closin' time)
