Weird Al Yankovic
"Saddam Hussein"

We should kill him
would be thrillin'
just to kill him

Let's hunt him down
and shoot him in the head
Let's beat the crap out of Saddam
Let's hunt him down
and shoot him in the head
and bomb Iraq into the ground
Let's hunt him down
and shoot him in the head
Let's beat the crap out of Saddam
Let's hunt him down
and shoot him in the head
and bomb Iraq into the ground

Don't screw with the USA
Don't screw with the USA

Now if he does attack
We're gonna drop a stack
All miscles on Iraq
And get him off my back
And if he won't let us up for al the surfgas,
the US army is gonna kick him in the ass

We should destroy, should destroy, that Iraqi boy

Let's hunt him down
and shoot him in the head
Let's beat the crap out of Saddam
Let's hunt him down
and shoot him in the head
and bomb Iraq into the ground
Let's hunt him down
and shoot him in the head
Let's beat the crap out of Saddam
Let's hunt him down
and shoot him in the head
and bomb Iraq into the ground
