(Help me Obi-wan Kenobi, you're my only hope)
(R2-D2)
Her name was Leia, she was a princess,
with a danish on each ear, and Darth Vader drawing
near
so R2-D2 found Ben Kenobi, (Obi-Wan)
He'd have to put the Death Star plans into the
Rebellions hands,
So Luke and Obi-Wan had to get to Alderaan
So they stopped into Mos Eisly to have a drink with Han

At the Star Wars, Star Wars cantina
The weirdest creatures you've ever seena
Here at the Star Wars, Star Wars cantina,
music and blasters and old Jedi masters
at the Star Wars.

Oona Koota Solo?
His name was Solo (Han solo), he was a pilot
with a blaster at his side and a smile twelve parsecs
wide,
there with Chewbacca, he was a Wookiee,
They met with Luke and Obi-Wan about the Millennium
Falcon,
docking bay ninety four(ninety four), stormtroopers at
the door
With a flash of Bens lightsaber, now there's an arm on
the floor

At the Star Wars, Star Wars cantina
The weirdest creatures you've ever seena
Here at the Star Wars, Star Wars cantina,
music and blasters and old Jedi masters
at the Star Wars. (Mos Eisly Spaceport, you will never
find a more wretched hive of scum and villainy,
we must be cautious)

His name was Yoda, he was a muppet.
Darth Vader was so bad and by the way he's Luke's
dad,
Luke kissed his sister, his hand got cut off

In that galaxy far far away, Luke has had a lousy day,
Boba Fett was so mean, Jabba had bad hygiene,
Why didn't they all just relax, back on Tatooine

At the Star Wars, Star Wars cantina
The weirdest creatures you've ever seena
Here at the Star Wars, Star Wars cantina,
music and blasters and old Jedi masters
at the Star Wars. (The Force
