*[Announcer:]* "Who fixes plumbing problems in a flash?

Twenty four hours a day? Seven days a week?"

Baby, I sure wish I could lend you a hand  
But plumbing's one thing I don't understand  
It's true (Haven't got a clue)  
B-b-b-baby, I can tell you've got a big problem  
When I flush the john, then your shower goes on  
(Baby) Now watcha gonna do?  
If Drano's a joke and your plunger is broke  
Baby, call the mensch with a monkey wrench  
(Baby) He'll be there for you

Shower's backing up (up, up)?  
Water won't go down (down, down)?  
Ba ba-ba-ba, ba ba-ba-ba, baby  
Don't forget my plumber  
Ba ba-ba-ba, ba ba-ba-ba, baby  
Sink's been stopped up all summer  
Ba ba-ba-ba, ba ba-ba-ba, baby  
Better call the plumber  
He'll know what to do

Pipes been blowing up  
Pipes been breaking down  
And the carpet's soaked... right through  
Ba-ba ba ba ba, ba-ba ba ba ba ba  
Ba-ba ba ba ba, kitchen's flooded, too  
Ba-ba ba ba ba, ba-ba ba ba ba ba  
Ba-ba ba ba ba, girl, you know it's true

B-b-b-betcha this guy makes more than my lawer

If he works for one day, costs you half a year's pay  
(Baby) He can be here by 2:00  
So if you've got cash, he'll be there in a flash  
Makin' service calls in his overalls  
(Baby) He'll do his best for you

Sewer's backing up (up, up)?  
Got you feelin' down (down, down)?

Ba ba-ba-ba, ba ba-ba-ba, baby  
Don't forget my plumber  
Ba ba-ba-ba, ba ba-ba-ba, baby  
Leaky pipes are a bummer  
Ba ba-ba-ba, ba ba-ba-ba, baby  
Time to call the plumber  
Maybe call a few

Got a problem with plumbing?  
Gotta blame it on something  
Blame it on the drain it was cloggin', cloggin'  
Blame it on the faucet that drips all night  
If hairballs, grease and goo  
Won't let the water through  
Blame it on the drain, yeah, yeah

When I flush the john, now when I flush the john  
It turns your shower on  
(Roto-Rooter 6-5000)  
Ba ba-ba-ba, baby  
Better call my plumber  
He'll know what to do
