

## Weird Al Yankovic "Uhf"

Visit "[Uhf](#)" on [MotoLyrics.com](#)

Put down your remote control  
Throw out your TV Guide  
Put away your jacket  
There's no need to go outside  
Don't you know that we control the horizontal  
We control the verticle, too  
We gonna make a couch potato out of you  
That's what we gonna do now

Don't change the channel  
Don't touch that dial  
We got it all on UHF  
Kick off your sneakers  
Stick around for a while  
We got it all on UHF  
Don't worry 'bout your laundry  
Forget about your job  
Just crank up the volume  
And yank off the knob  
We got it all, we got it all, we got it all on UHF

Disconnect the phone and leave the dishes in the sink  
You better put away your homework  
Prime time ain't no time to think  
All you do is make yourself a TV dinner  
Press your face right up against the screen  
We gonna show you thangs you ain't ever seen  
If you know what I mean, now

Don't change the channel  
Don't touch that dial  
We got it all on UHF  
Kick off your sneakers  
Stick around for a while  
We got it all on UHF  
Don't worry 'bout your laundry  
Forget about your job  
Just crank up the volume  
And yank off the knob  
We got it all, we got it all, we got it all on UHF

You can watch us all day

You can watch us all night

You can watch us any time that you please  
You can sit around and stare at the picture tube  
'Till your brain turns into cottage cheese  
Well, now

Don't change the channel  
Don't touch that dial  
We got it all on UHF  
Kick off your sneakers  
Stick around for a while  
We got it all on UHF  
Don't worry 'bout your laundry  
Forget about your job  
Just crank up the volume  
And yank off the knob  
We got it all, we got it all, we got it all on UHF  
We got it all on UHF (UHF)  
We got it all on UHF (UHF)  
We got it all on UHF (UHF)  
We got it all on UHF (we got it all)  
We got it all on UHF (UHF)  
We got it all on UHF (UHF)  
We got it all on UHF (UHF)  
We got it all on UHF (we got it all)  
We got it all (we got it all) on UHF (we got it)  
(We got it) we got (we got it) it all (we got it) on UHF (we  
got it all)  
We got it all on UHF (we got it all)  
We got it all on UHF (UHF)  
We got it all (we got it all) on UHF (on UHF)  
We got it all on UHF  
We got it all on UHF (UHF)  
We got it all (we got it all) on UHF (we go it)  
We got it all on UHF  
We got it all on UHF  
We got it all on UHF  
We got it all on UHF (UHF)  
We got it all on UHF (UHF)  
We got it all on UHF
