I don't have a library card
But do you mind if I check you out?
I like your skeletal structure, baby
You're an ectomorph, no doubt

Your face is real symmetrical
And your nostrils are so nice
I wish that I was cross-eyed, girl
So I could see you twice

Girl, you smell like Fritos
That's why I'm giving you this hungry stare
You're so hot, you're gonna melt
The elastic in my underwear

I'll bet you're magically delicious
Like a bowl of Lucky Charms
You'd look like Venus de Milo
If I just cut off your arms
What I'm tryin' to say is ...

I wanna be your lover, baby
I need somebody to love
You know I just wanna be your lover, baby
Now, I need somebody to love

Ooh hoo hoo, ooh hoo hoo
Ooh hoo hoo, hoo hoo hoo hoo hoo
Ooh hoo hoo, ooh hoo hoo
Ooh hoo hoo, hoo hoo hoo hoo hoo

Do you believe in love at first sight
Or should I walk by again?
My love for you'd like diarrhea
I just can't hold it in

Stop, drop and roll now
'Cause baby, you're on fire
I'll bet your outfit
Makes a lot of noise in the drier

You're absolutely perfect
Don't speak now, you might spoil it
Your eyes are even bluer
Than the water in my toilet

Say, has anyone ever told you
You've got Yugoslavian hands?
No, of course not, that would be stupid
Just forget I ever brought it up
The point I'm trying to make is ...

I wanna be your lover, baby
I need somebody to love
You know I just wanna be your lover, baby
Now, I need somebody to love

Ooh hoo hoo, ooh hoo hoo
Ooh hoo hoo, hoo hoo hoo hoo hoo
Ooh hoo hoo, ooh hoo hoo
Ooh hoo ho
