Had ourselves a little barbeque
Corn on the cob and mashed potatoes too
Joe got the Fritos, Ernie got the stew
So what did you bring

We got the beef
We got the beef
We got the beef
Yeah, we got it

(We got the beef)
Now, everybody get on your feet (we got the beef)

Grab a hunk of ??? beef (we got the beef)
Chuck daddy (we got the beef)
Now, ground round by the pound

We got the beef (we got the beef)
We got the beef (we got the beef, we got the beef)
We got the beef (we got the beef, we got the)
We got the beef
