They see me mowin'  
My front lawn  
I know they're all thinking  
I'm so White N' nerdy

Think I'm just too white n' nerdy  
Think I'm just too white n' nerdy  
Can't you see I'm white n' nerdy  
Look at me I'm white n' nerdy!  
I wanna roll with-  
The gangsters  
But so far they all think  
I'm too white n' nerdy  
Think I'm just too white n' nerdy  
Think I'm just too white n' nerdy  
I'm just too white n' nerdy  
Really, really white n' nerdy

First in my class here at M.I.T.  
Got skills, I'm a Champion of DND  
MC Escher that's my favorite MC  
Keep your 40  
I'll just have an Earl Grey tea  
My rims never spin to the contrary  
You'll find that they're quite stationary  
All of my action figures are cherry  
Steven Hawkings in my library  
My MySpace page is all totally pimped out  
got people begging for my top eight spaces  
Yo I know Pi to a thousand places  
Ain't got no grills but I still wear braces

I order all of my sandwiches with mayonnaise  
I'm a whiz at minesweeper I can play for days  
Once you see my sweet moves you're gonna stay  
amazed,  
my fingers movin' so fast I'll set the place ablaze  
There's no killer app I haven't run (run)  
At Pascal, well, I'm number one (one)  
Do vector calculus just for fun  
I ain't got a gat but I gotta soldering gun

Happy days is my favourite theme song  
I can sure kick your butt in a game of ping pong  
I'll ace any trivia quiz you bring on  
I'm fluent in Java Script as well as Klingon  
Here's the part I sing on

They see me roll on, my Segway!  
I know in my heart they think I'm  
white n' nerdy!  
Think I'm just too white n' nerdy  
Think I'm just too white n' nerdy  
Can't you see I'm white n' nerdy  
Look at me I'm white n' nerdy  
I'd like to roll with-  
The gangsters  
Although it's apparent I'm too  
White n' nerdy  
Think I'm just too white n' nerdy  
Think I'm just too white n' nerdy  
I'm just too white n' nerdy  
How'd I get so white n' nerdy?

I've been browsing, inspectin'  
X-men comics you know I collect 'em  
The pens in my pocket  
I must protect 'em  
My ergonomic keyboard never leaves me bored  
Shopping online for deals on some writable media  
I edit Wikipedia  
I memorized Holy Grail really well  
I can recite it right now and have you ROTFLOL  
I got a business doing websites  
When my friends need some code who do they call?  
I do HTML for them all  
Even made a homepage for my dog!  
Yo! I got myself a fanny pack  
they were having a sale down at the GAP  
Spend my nights with a roll of bubble wrap  
POP POP! Hope no one sees me gettin' freaky!

I'm nerdy in the extreme and whiter than sour creme  
I was in AV club and Glee club and even the chess  
team!  
Only question I ever thought was hard  
was do I like Kirk or do I like Picard?  
Spend every weekend at the renaissance fair  
Got my name on my underwear!

They see me strollin'  
They laughin'

And rollin' their eyes 'cause  
I'm so white n' nerdy  
Just because I'm white n' nerdy  
Just because I'm white n' nerdy  
All because I'm white n' nerdy  
Holy cow I'm white n' nerdy  
I wanna bowl with -  
the gangsters  
but oh well it's obvious I'm  
white n' nerdy  
Think I'm just too white n' nerdy  
Think I'm just too white n' nerdy  
I'm just too white n' nerdy  
Look at me I'm white n' nerdy!
