Whos the man behind me yes he's so kindly
Stepping on the backs of my shoes
Well I keep carryin' on and Im
Not quite sure just what I should do
Bombs away
Im standing in the line to the phone
But it never ever seems to dissipate
By the way
I tried to call but I got your machine
So I guess I'll have try another day
I have to say
I like you just the way you are
But I like you best when Im asleep
Walk away
And Im so glad that we had this time
But I wish it wasn't so much like pullin' teeth
Whos this girl standing here in front of me as she's
smiling
Trying to get me a drink for free and I I can't say I really
mind
But Ive already had one too many HELLO!
Bombs away
Im standing in the line to the phone
But it never ever seems to dissipate
By the way
I tried to call but I got your machine
So I guess I'll have try another day
I have to say
I like you just the way you are
But I like you best when Im asleep
Walk away
And Im so glad that we had this time
But I wish it wasn't so much like pullin' teeth
Why can we catch my breath and yes Im so tired of
running away from you
And I look the other way this time and it finally looks
like Im breaking through HELLO!
Bombs away
Im standing in the line to the phone
But it never ever seems to dissipate
By the way
I tried to call but I got your machine

So I guess I'll have try another day
I have to say
I like you just the way you are
But I like you best when Im asleep
Walk away
And Im so glad that we had this time
But I wish it wasn't so much like pullin' teeth
Bombs away.....
Bombs Away.....
Bombs Away.....
Bombs Away.....
