Mumble Mumble Mumble the morning  
and I'm kissin her to death  
6 a.m. is getting near but the moonshine  
is still heavy on my breath  
Last night is a memory  
of the last calls still a blur  
some girls still sleepin in my bed  
what her name is  
I'm not really sure

Chorus  
Here's to you  
your on your way  
Another drink  
to all those things we didn't say  
Here's a toast to us  
Yes and to all that's been long gone  
And I say Cheers  
in hopes that we move on

This ring don't fit anymore  
"Mumble Mumble" takes it's place  
You've taken your pictures off the shelf  
that's ok baby they took up too much space  
The sun breaks the horizon  
Seems to clear my head of memories  
to bind my mind  
and dreams take the place instead

Here's to you  
your on your way  
Another drink  
to all those things we didn't say  
Here's a toast to us  
Yes and to all that's been long gone  
And I say Cheers  
in hopes that we move on

Here's to you  
your on your way  
Another drink  
to all those things we didn't say

Here's a toast to us  
Yes and to all that's been long gone  
And I say Cheers  
in hopes that we forget

Here's to us  
yes and the first time we met  
And I say Cheers  
in hopes that we forget
