I read the expiration date  
But drank all of it anyway  
And I'm having trouble staying on my feet  
The pressures on the walls are bent  
And I have to start all this again  
But victory is always bittersweet yeah  
But I'm fine I'm alright  
And i couldn't be better  
If i tried  
I'm fine I'm alright  
And i couldn't be better  
Have you seen my mind today  
I seem to have misplaced my brain  
I don't think it's coming back to me  
The medications wearing off  
But the side effects aren't bad enough  
For me to go against my own advice  
Cause it only hurts when i blink my eyes  
But I'm fine I'm alright  
And i couldn't be better  
If i tried  
I'm fine I'm alright  
And i couldn't be better  
Couldn't be better  
Yes I'm fine  
If i lied to you and told you  
Someone else was driving me  
I'd still be sitting riding shotgun  
In someone else's drunken pipe dreams  
I've got everything under control  
All you have to do is let go  
But I'm fine I'm alright  
I couldn't be better  
If i tried  
But I'm fine yeah eah yeah I'm alright  
I'm fine I'm alright  
I'm fine I'm alright  
And i couldn't be better
