I can't get the stains out
Can't get the taste you left
Out of my mouth
I don't like the music
And I don't know if i like
The way that this song sounds
I don't need a reason
Don't need the demon
Justifying every crime
I shut down and restart
Yet i still tend to
Fall apart from time to time
And I can't blink my eyes
I'm so scared that I'll miss everything
And i can't say goodbye this soon
And it's so beautiful when I hear your name
It's so beautiful to watch me go down in flames

I've got complications
Got these aggravations but I don't want to complain
I'm broken in pieces
Stapled to reasons that I don't want to explain
And I can't blink my eyes
I'm so scared that I'll miss everything
I can't say goodbye this soon
And it's so beautiful when I hear your name
It's so beautiful to watch me go down in flames
They're burning under me
Things that you can't see
I can't blink my eyes
And I can't see
And it's so beautiful when I hear your name
It's so beautiful no it's not the same
It's so beautiful it's so typical
It's so beautiful to watch me go down in flames
