Have you got the time
I Lost mine keeping track of it all
It's more than I can take
Have we met before
I'm not sure if I got your number
I don't think I can wait
Chorus
I've lost my mind
And I'm getting closer
To my demise
But everything's alright
You say I'm hopeless
And I'm getting nowhere
I could be wrong you could be right
But I'm giving up without a fight

I just think about myself
And no one else can tell me
I'm wrong
When I look at my reflection
My whole life takes new direction
It won't be long
Chorus
I've lost my mind
And I'm getting closer
To my demise
But everything's alright
You say I'm hopeless
And I'm getting nowhere
I could be wrong you could be right
But I'm giving up without a fight

Bridge
I've got nothing nice to say
So I'll just shut my mouth
But I'm choking on the words
So I guess I'll have to spit 'em out
Would you say that you agree
That there's something wrong with me
I know too well
If you haven't got the time
Could you please hold my place in line
Cause I need some help

Chorus
I've lost my mind
And I'm getting closer
To my demise
But everything's alright
You say I'm hopeless
And I'm getting nowhere
I could be wrong you could be right
But I'm giving up without a fight
(I've lost my mind)
Everytime I close my eyes
I wish that I could say goodbye
(I've lost my mind)
To all the time that you had spent
And all the rules that you invent
(I've lost my mind)
Telling me that this was it
To try and keep me down
(I've lost my mind)
But now I come to see the light
And everything's alright
