What's your number can I have a little something for
the road?

Or if not would you be so kind as to show me to the
door

Eyy oh oh oh oh

Eyy oh oh oh oh oh

You see I didn't want things to go too fast

But was I looking for a piece of mind or just another
piece of ass?

Eyy oh oh oh oh

Eyy oh oh oh oh oh

Could you spare a little change? Yes I think I need to
change

For the better or the worst I think that better is out of
range

Eyy oh oh oh oh

Eyy oh oh oh oh oh

Someone tell me what I was doing over there?

Now tell me why the hell I can't see things clearly from
here

Eyy oh oh oh oh oh

You'd do anything but I won't yeah

You say what you think and I don't

You want things to be just fine yes

And I like being out of line

You know where you are and I'm lost

Think that I won't get too far, well I'm not
you're still lying next to me

Isn't that where you've always wanted to be

Wanted to be

Yeah yeah ah oh oh oh

Yeah ah oh

When I'm taking that long trip down south

Do I get to take a breather or just keep my tongue
inside my mouth

Eyy oh oh oh oh

Eyy oh oh oh oh oh

You say go to hell now there's nothing left between us

I say that I'm on my way and I'm driving the bus

Eyy oh oh oh oh oh

You'd do anything but I won't yeah
You say what you think and I don't
You want things to be just fine yes
And I like being out of line
You know where you are and I'm lost
Think that I won't get too far, well I'm not
you're still lying next to me
Isn't that where you've always wanted to be
Wanted to be
Yeah yeah ay oh oh oh
Yeah ah oh
Yeah
