This is the life
Everyone has to be somewhere
(Ohhhhhhhhhhh) I am here
Just in a dream
The pressure of dreams is the killer
Of dreams,
But it only gets harder
This is the life
This is the life
This is my life
Time
Time is the monster
All of us fight the same monster
To win
I scream when I breathe
Fear in that worry will trigger
All my fears
It only gets harder
How'd I get so serious?
This is the life
This is the life
This is the life
This is my life
This is the life
This is the life
This is my life
(Ohhhhhhh) I am here
This is the life
'Cause this is myyyyyy life
