Oh the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow

(Repeat)

Now it doesn't show signs of stopping
And I brought some corn foe popping
All the lights are turned way down low
Let it snow, let it snow, let it snow

When we finally kiss goodnight
How I'll hate goin' out in the storm
But if you really just hold me tight
All the way home I'll be warm

The fire is slowly dying
And my dear we're still good-bye-ing
But as long as you love me so
Let it snow, let it snow, let it snow

Oh, when we finally kiss goodnight
How I'll hate goin' out in the storm
But if you really just hold me tight
All the way home I'll be warm

The weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow
Let it snow, let it snow
Let it snow, let it snow, let it snow

Well the weather outside is frightful
Let it snow

All the lights are turned way down low
Let it snow, let it snow, let it... snow
