Everybody all around the world
Stand up all my brothers
Joining our hands
United we're stronger
Fighting for peace
Caring about our loved ones
Trusting ourselves sharing our feeling
Believe me
(CHORUS:)
If only I could
I'd make this world a better place
If only I could
I'd make this world a better place

Believe me, believe me, believe me
I think about the implications
When alone between the sheets
When all the huggin' and kissin'
Is tearing my heart appart
All people standin' hand in hand
Celebratin' all different colours
Joining together sharing their feelings
Believe me
(CHORUS)
