I'll bet you think that I don't love you baby.  
I'll bet you think that I don't care.  
But I want to tell you well you've got something  
and I'm loving you with all my heart.  
I don't ever want to part.

Coz I don't want to be with nobody but you.  
No, no I don't want to be with no one but you.  
I want to be wrapped up in the arms of my loving man.  
(Come on and love me)  
Rock me in your arms like I know you can.

Don't you know that you can call on me baby. (You can  
call on me)  
All you gotta do is say you will, (All you gotta do)  
coz I'm ready just to love you and put an end to all your  
doubt.  
I know we can work it out,

coz I don't want to be with nobody but you.  
No, no I don't want to be with no one but you.  
I want to be wrapped up in the arms of my loving man.  
(Come on and love me)  
Rock me in your arms like I know you can.

Man, I love you, so put an end to your fantasy,  
or you just might, you just might blow it all.  
Get yourself together and, baby,  
when you do, you're going to see I'll be true to you.

Coz I don't want to be with nobody but you.  
No, no I don't want to be with no one but you.  
I want to be wrapped up in the arms of my loving man.  
(Come on and love me)  
Rock me in your arms like I know you can.

(You can call on me)  
(Yes, yes you can call on me)  
(Yes, yes)  
(come on and love me)

Don't you know that you can call on me baby. (You can call on me)

All you gotta do is say you will, (Say)

coz I'm ready just to love you and put an end to all your doubt.

(I'm ready, I'm ready, I'm ready, I'm ready)

I know we can work it out, coz I don't want to be with nobody but you.

No, no I don't want to be with no one but you.

I want to be wrapped up in the arms of my loving man.

(come on and love me)

Rock me in your arms like I know you can. (Come on and rock me)

Rock me in your arms like I know you can. (Come on and rock me)

Rock me in your arms like I know you can.
