Another one

You know the set S.O.S.

It's Drew Devine real name

Werdos S.O.S you can call it the remix
Believe it sick like a fucking bulimic
When we hit team is the meanest
I mean real dirty but we come the cleanest
So fresh start calling me Persil
Put you in the hurst before the rehesal
You get square goes because your not in my circle
You should stay in your home like a turtle
I hit the top of the building
Hit the fucking roof know I will kill them
Because these rappers nothing but children
Fannies with a line call them Brazilians
So get put in a cage fight
I rage like machine never been through stage fright
Don't play nice no we play knives
Got bricks sticks kicks shit all will take life
Healthy you are all getting pissed on
And I will pump your bird similar to a piston
Listen you getting cross like a Christian
When I pick it up pick it up get picked on

You want to battle me expect to loose
I don't emcee battle I leave them battered and bruised
Kick rhymes punchlines man check what I do
I attack any track shit what bout you [x2]
