Sunburst, you know just where you are at
Sundance, you know, you can scratch your own back
Fillet your own slice out of a hack
I've seen you so; I've seen you so
Go for the gap, with your gift of the gab
And I know that you're out
But you're on your own back
Go for the gap with your gift of the gab

Cos I smile that your on
That you're on your way back
Loveless, looks down, you know you are mad
Turkey, steal bus back home through the flack
Turnip, your nose dives into the park
I've seen you so; I've seen you so
