I'll give you all I've got to give
I've only got one life to live
I've only got one life to live
She loves you yeah, yeah, yeah, yeah
She loves you yeah
How do you know, how do you know
How do you know of what I sing
When what you hear's a different thing
When what you hear's a different thing
Doesn't change your mind, won't change in time
I'm lost in mine, I'm lost in space
I'll turn you in to save my skin
I'll eat my words, destroy your thing

Remove your hands before they sting
Removal vans to hoard my things
Flowers won't change a thing
Flowers won't change a single thng
Flowers won't change a single thing
I see myself, myself and walk
I see a dead, a dad man talk
And everything destroys itself
And everyone destroys themselves
Shoot me when I'm down
Shoot me when I'm dead
Shot me when I'm down
Shoot me when I'm dead
Back of my head
