[Werd]

Ha ha it's W.E.R.D.

Got that remix baby a ken a ken a ken

It's half of S.O.S.

See I'm single again mate

Back on my grind

Shout out to Edinburgh

[Trina - Chorus]

[Werd]

You know what a did and where I'm at

And I went solo like Werd is back

So you can call me single

Hot on the drum kicks call me Ringo

No star but you catch touch mine

You might find I am loosing my mind

Don't speak like a mime, a blow like mine

This is Werdos cunt little Derek's doing fine

Back in scene so fresh so clean

I'm an Outcast mate if you know what I mean

I write sixteens since sixteen

And since then mate av been token the green

Ken what I mean I ken I am mean

I take ketamean cause am stressed in the scene

And this is me dumbing down

Cause if a do that then there's more coming out

[Trina - Chorus]

[Werd]

I'm back cunt best believe it

What I want I'm gone achieve it

Cunts say the fame they don't need it

That cause they aint got none they don't mean it

Tell haters it's just a remix

And tell sook ups get off ma penis

I love this I wont leave this

I drop bombs just like Hiroshima's

Yeah so fuck your life

Give me one chance I will fuck your wife

Give me one dance fall in love tonight
But in the morn I am out of sight
Like I'm gone yeah am I wrong
Cause I chose rap and not to write songs
To fight the norm for a brighter morn
So check out the king man fuck you pawns

[Trina - Chorus]

[Werd]

Fuck you pay me something like a hooker say
And if you don't fuck you I'm hooking you
You can't rap you are looking gay
With no energy need lucazade
Sounding the same you sound too plain
And I am fly like the sound of a plane
Fuck rap that's right I said it
Like Chris Rock stand up cunt I'm a get it
What the whole thing yeah and that ring
Call me [fades out]
