Move back, hauling me down
Move back, hauling me down
Lick black, put it down
Flick back, sleepin' round
Move back hauling me down

CHORUS

He didn't make it
Wind up and break it
We wouldn't send her
Back to the mender
Put your brother to jail
Put your brother to jail
Feed back, break it up
Mixed up, shooting up
Hits his head on the nail

CHORUS

Heats up making it ripe
Heat's up making it ripe
Pushed 'round, falling down
Licking boots and crawling 'round
Heat's up believing the hype

CHORUS

Get yourself a plastic Jesus
Put it on your dashboard
Put it on your dashboard
Put it on your dashboard
Put it on your dashboard
