[Werd]

My styles funny eh? ha ha ha
I've got one style I've got two style

Do it like this (Do it like this)
(You canny) Canny do it like this
Do it like this (Do it like this)
You cunts can't do it like this

Jokers get a bat man I'm Robin
All your damn shit from your kicks to your Walkman
I take your bitch you prick and put cock in
Just like Christmas got her in the stockings
Do it often constantly bossing
Dudes in the circle I rock like it's moshing
Fuck all your mocking I just keep talking
Behind bars like your boy was in Saughton
Locked in I got the nail in the coffin
Bringing up green like you do when you coughing
(Uh uh) flossing? (Uh uh) no often
Like to get ice but really I'm just frosting
Hot and though I rip beats often
So a get strips like a damn street crossing
Come on tits just bounce like you jogging
Like gun crime ya cunt I keep popping
Superhero you watching a Watchmen
But can't see his face like he's Mr. Watson
Be careful you might get a stomping
I'm watch-in your ass like Chris Walken
You Pulp Fiction I'm fact when I'm Knocking
Cunts right back right bats they are copping
Independent but not on Koch and
Fuck a verse get the hook like boxing

Do it like this (Do it like this)
(You canny) Canny do it like this
Do it like this (Do it like this)
You cunts can't do it like this

I'm fly I flew I drift
I'm spew I'm flu I'm sick
I'm the shit your not your just pish

I'm tight like a knot I know I got this
Yes and I rep Auld Reekie
Shout out to Glasgow though I'm born Weegie
Do it easy on E's man I'm easy
Run around town with a blade in my sleeve eh
You got a problem? don't want to see me
Put you in the box and I don't mean the TV
Nah fools I've more tools than Speedy
Shit I will leak ye I don't mean a CD
Check my C.V. no throwing up bee gee's
Nah but I got a buzz I'm the bee's knees
Trying blow I just got a wee breeze
And this is knout mate this is a freebie

Do it like this (Do it like this)
(You canny) Canny do it like this
Do it like this (Do it like this)
You cunts can't do it like this

Like This, You get drowned out
Can't hear yourself on the beat your not like me
