[Werd]

Is that on? (Keep that in keep that in)  
What what what Auld Reekie cunt  
Check me out eh (haha) its going slow yo

I got message for all you wee whack guys  
You aint rolling on the tracks like flat tyres  
You aint lighting up the street like cats eyes  
You cant rock the boat your going to capsize  
Im not hip hop (check out my cap size)  
Its no NY (flat beak for rap guys)  
I've no jeans thats (hanging down my backside)  
Wait I do and I bust on the track aye  
Aye I be me and thats  
Really really all I can be  
Its just me W.E.R.D  
So take a wee look round my mp3's  
Man its crazy I was dumbing it down  
You can say the same thing just switch it around  
(Scratch)  
Cunt its raj I was dumbing it doon  
You can say the same thing just switch it aboot  
(Scratch)  
Like kick in the door make you fall to the floor  
One hit to the face you dont want it no more  
(Scratch)  
Like kick in the dare make you faw ti the flare  
Wan hit ti tha face you dinny want it nae mare  
Rap Scottish I got this hit them with the hot shit  
No Hydro fake accent pop bitch  
Who talk shit never lived in his life  
What does that mean? I don't know but he's shite

This isn't a track  
Its just,  
Thats it (Thats it)
