I got...

No money in the bank (I got)

No money in the bank (I'm Skint)

No money in the bank (Why am I in debt mate)

No money in the bank

Checking out the cash line no I aint got shit

Damn I need cash mate please can I borrow it

And you're like nah mate you can get none of it

And I'm like what cunt gone give us some of it

I used all my over draft

Need to go over that

Need to buy a bottle

I don't want to be a sober twat

Naw that would be shit that that would really suck

So come on mate how about it

Gone give us just a little chuck

(Nah) just a little buck (Naw) you're as tight as fuck

Ken I would give it to you if you was out of luck

See I've got no cash and I really need hash

If I'm not smoking then I think I'm going to go daft

Shit you laugh but that's no funny

Cause I'm smoking the doubts when I've got no money

I'm skint or whatever you call it

It's just the definition of having shit in your wallet

No money in the bank [x4]

I'm pure skint gone give us a tap

I want to get steaming like running the taps

But wait hold back I'm not paying you back

I gave you one chance this time your getting taxed

Ya fucking raj should have given me that

Cause if you did wouldn't give you a smack

Ya fucking cunt dinny call me again

In fact give me your phone mate I'm pawning it in

Took all your shit fae your kicks to your walkman

And you did knout mate you just walked then

Now you are watching me going shopping

Vodka Buckfast Whiskey I got them

Yeah I be having a drink

Till you see me mate hanging over the sink
Like 'hic' pure fucked had too much
I need a taxi (Give me money you fucks)

No money in the bank [x4]
