[Werd]

I'm no a liar or a cheater I aint lying I will eat ya  
Like a lion or a cheetah flying high like an eagle  
And your small like a beetle not the Beatles just a  
beetle  
And I hit it like smack like I'm dripping from a needle  
I'm stripping egos you people your no lethal  
Like me and Deeko people we evil you just feeble  
On Myspace and Bebo like check out the Scottish  
You all talk shit you get battered like cod fish  
I Would rather hear Goth shit the whole Slipknot pish  
Than hear another little fucking cunt record this  
This is my whole life in the mic I got this  
So listen to my mind but mind your not this  
If you forgot this that Werd from the Burgh  
Is utterly no other utter words so thurah  
That's Werd to your mother see I'm psycho mucka  
Pure plug-in the mic I'm a psycho killer cunt

[Talking Heads]

Psycho killer Quest que cest  
Fa fa fa fa fa fa fa fa far better  
Run run run run run run run away

[Werd]

Rewind mate you ken it's  
Walking pace but I'm running the track  
Top writer on the map top right of the map  
Who want wanted in rap now I'm wanting it back  
To have all the wee kids pure running it back  
See I'm cutting no slack this is me at my finest  
Forgetting who you are like a suffer Alzheimer's  
Plus when I rhyme this it's minus kindness  
As times goes by we get more divided  
See Drew Devine is beyond you fuckers  
This pen and the pad is my bread and butter  
You've heard no other that's like Werd mucka  
Whole life been pish through shit like a plumber  
It's no joke see I'm past the breakdown  
Used to love this but it's all just hate now  
I hate how you think you built a scene  
I'm a psycho killer I kill your dream cunt

[Talking Heads]  
Psycho killer Quest que cest  
Fa fa fa fa fa fa fa fa far better  
Run run run run run run run away  
Psycho killer Quest que cest  
Fa fa fa fa fa fa fa fa far better  
Run run run run run run run away

You start a conversation you can't even finish it  
You're talking a lot, but you're not saying anything  
When I have nothing to say, my lips are sealed  
Say something once, why say it again?  
Psycho killer Quest que cest  
Fa fa fa fa fa fa fa fa far better  
Run run run run run run run away

[Werd]  
Psycho killer stuck right here  
They wont let me out
