[Werd:]

All right this song is all about a girl  
A girl called Fame  
Disciple Beats  
The fame this whole famous thing  
Ain't that about a bitch

[Sample:]

Take a look at my girlfriend  
She's the only one I got  
Not much of a girlfriend  
We never seem to get along [x2]

[Werd:]

I write with my heart in the text a love letter  
To my dream girl no one could be better  
She plays hard to get and I've never really met her  
I might be single now but a single I get her  
And I can feel it now  
Right down in my soul mate  
I write down my feelings feel she is my soul mate  
My soul fate get to the top burn like Sulphate  
Love at first mic made my young heart pulsate  
A guy called Werd and a girl called fame  
But ad still be sound if Deeko fucked her the same  
I'm not upset cause I think we should get her  
I'm upset cause you got her  
And she could do better  
Av hardly met her  
But I know for a fact  
That we gone be together no one pull us apart  
No ones ruling my heart no ones stopping my goal  
Yeah fames a bitch  
I'm just wanting my hole

[Sample:]

Take a look at my girlfriend  
She's the only one I got  
Not much of a girlfriend  
We never seem to get along [x2]

[Deeko:]

I'm looking at this bird and I'm thinking I want her  
Cause I know my life would be better if only I had her  
I know opportunities come and some of them go  
But if I can't fuck this one I will fucking explode  
I got a passion for the rapping  
I'm sure some of you know  
And you can witness it first hand if you come to the  
show  
Every line a put in a rhyme is getting m closer  
Stick my hands out when I'm rapping so I reach and I  
hold her  
I hope to God my destination is to finally meet her  
Not when I'm gone but when I'm alive  
And able to see her  
Iv been waiting to greet her  
Other wanting her quicker  
Some will sell their respect to get fifth teen minutes  
with her  
Cause she's special when you got her don't want to  
leave her  
She'll drive you over the edge suicide believe me  
She will suck the life from you  
Like the moment was blown  
Cause it seems she's easy to get  
But hard to control come on

[Sample:]

Take a look at my girlfriend  
She's the only one I got  
Not much of a girlfriend  
We never seem to get along [x2]

[Werd:]

I want this lassie so I made her a mixtape  
This is how I feel with music  
Pure shit mate  
I want to switch fate  
A'I flip out like switch blades  
I want to cut a deal I don't mean like snitches  
I never hit a lassie but al give you a hit  
Give constant hits maybe baby am sick  
Fuck the dick  
I'm a show you my tong skills  
Want the cashier like some one that runs tills  
And there's still cunts saying they fuck you when they  
don't  
These lying cunts tried to fuck you but you won't  
Then you go and act like so serious  
But they could'ntfuck with you like period  
Could'ntget her wet dicks spit all day  
Trying to cum up inside

But flop there all gay  
It's class phore play in the bedroom like  
Where there I wrap on the jonney or rap on the mic

[Sample:]

Take a look at my girlfriend  
She's the only one I got  
Not much of a girlfriend  
We never seem to get along
