Incomparable kindness to less than the least
To the broken, the battered, and weak
To all who are hungry there comes a call
To be filled with the fullness of God
It's beyond all you can see
Farther than you'd believe
It's a mystery
My prayer for you is that you would know

CHORUS:

How wide, and how long, and how high, how deep is
the love
How deep is the love of Christ

The width of two arms outstretched on a tree
The length of the road to Calvary
The height of the crown on a cruel cross
The depth of the pain is the cost
All for you, all for me
All for love did He bleed
All to set us free
My prayer for you is that you would know

CHORUS
